District 9 Response

- Opened a Local Assistance Center at Trinity Recreation Center and resource site at 28th Street YMCA
- Partnered with St. John's Well Child & Family Center mobile unit to provide victims with auditory exams, medical checkups and other referrals as needed
- Coordinated with LA County Department of Mental Health for mental health evaluations
- Secured emergency hotel rooms for families
- Provided meal delivery to victims three times a day for weeks
- Assisted with basic necessities such as clothing, food and medical attention
- Coordinated distribution of \$2,000 Angeleno cards to more than 25 households affected by the fireworks explosion
- Purchased and provided furniture and refrigerators

\$1 MILLION Emergency Relief Fund

- Drawing from CD 9 - Environmental Equity and Justice Fund
- Covers cleanup services, debris removal, and repairs to residences, including red tag and yellow tag homes
- Non-profit CRCD currently painting exterior of homes, replacing windows and conducting other repair work, utilizing local workers
- Pays for longer-term, corporate housing for individuals displaced by the blast
- Financial assistance in the amount of \$10,000 each for 25 pre-identified, most severely impacted households
- In October 2021, LA City Council voted in support of Councilman Price's motion to transfer more than \$1 million from the LAPD to replenish costs associated with victim relief efforts
