CITY OF LOS ANGELES

EMERGENCY MANAGEMENT DEPARTMENT

Boyle Heights Unified Recovery Command Weekly Report #15

September 25, 2026

Reporting Period: September 19, 2026 - September 25, 2026

Incident Overview

On June 17, 2026, a fire ignited at a Boyle Heights cold storage warehouse operated by Lineage Logistics, and continued to burn for eight days. The blaze consumed the solar-paneled roof, raising concerns regarding the off-gassing of hazardous materials. The State of California declared a State of Emergency on June 20, 2026; Los Angeles County and the City of Los Angeles subsequently proclaimed their own local emergencies. Although the fire was officially knocked down on June 24, ongoing collaborative actions continue to facilitate a safe recovery for the local community. In response, Mayor Karen Bass issued three Executive Orders to undertake measures to ensure public safety and expedite the recovery process.

In accordance with Mayor's Emergency Executive Order No.2, the City of Los Angeles Boyle Heights Unified Recovery Command (BHURC) is operating to coordinate the recovery process. The BHURC continues to execute recovery operations under a Recovery Support Function (RSF) framework in accordance with the National Disaster Recovery Framework (NDRF), and has three active RSFs:

- RSF 1: Community Assistance Recovery
- RSF 2: Infrastructure Systems Recovery
- RSF 3: Economic Recovery

This Weekly Report provides BHURC updates from Saturday, September 19, 2026 through Friday, September 25, 2026.

Disclaimer: This report reflects information available as of the reporting period stated above and is subject to change as recovery efforts continue. Nothing in this report constitutes an admission or final determination regarding the cause of the incident, liability, or the identity of Responsible Parties. The City reserves all rights regarding cost recovery, abatement, and enforcement.

Community Assistance Recovery Support Function (RSF #1)

Community Resource Center Status

The **Community Resource Center** (CRC) remains open at Boyle Heights City Hall (2130 1st St. Los Angeles, CA 90033). Current and anticipated hours of operation are:

- Saturday, September 26: 1:00 PM - 5:00 PM
- Wednesday, September 30: 10:00 AM - 2:00 PM

Community Resource Center Intake		
Date	**# of Households Served**	**Cumulative # of Households Served to Date**
9/16/2026	18	5462

Mobile Health Clinic Resources and Public Health Information

Mobile Health Clinics are accessible to residents living in the area or otherwise impacted by the fire at the following locations and times for the upcoming week:

Date	Time	Provider	Location
Friday, September 25	10:00 AM - 5:00 PM	Los Angeles Christian Health Center	Proyecto Pastoral- Impacto | 370 S. Clarence St. Los Angeles, CA 90033
Monday, September 28	10:00 AM - 5:30 PM	St. John's Mobile Clinic	Weingart East LA YMCA | 2900 Whittier Blvd, Los Angeles, CA 90023
Tuesday, September 29	9:00 AM - 4:30 PM	St. John's Mobile Clinic	Proyecto Pastoral- Impacto | 370 S. Clarence St. Los Angeles, CA 90033
Total # of Mobile Clinics Deployed to Date:			**80**

The LA County Department of Public Health (LACDPH) continues to track environmental health concerns and operates a Community Health Complaint Line at 626-430-9821, staffed by Public Health nurses who can assess symptoms and connect residents with medical providers as needed. LACDPH also continues to maintain on-site staff at Boyle Heights City Hall.

Community Outreach

Mayor Karen Bass' Office hosted a recovery community webinar on Thursday, September 24th, at 6:00 PM. The webinar featured remarks from Deputy Chief of Staff for the Mayor's Office, South Coast Air Quality Management District (SCAQMD), Los Angeles County Department of Economic Opportunity (DEO), and the City's Community Investment Department (CID). SCAQMD discussed situation updates and reviewed instructions for residents on how to report odor complaints. DEO and CID provided

overviews of the Small Business Recovery Grant and Business Stabilization And Layoff Aversion Grant programs, respectively, as well as the application processes for each.

CD14 will hold the Boyle Heights Fire Recovery Community Partner Meeting on Monday, September 28 at 4:00 PM, in collaboration with local community-based organizations (CBOs), which will also include updates from Mayor Karen Bass' Office, CD14, and the Emergency Management Department.

CD14's legislative team also provided an update during the Legislative Working Group meeting on Monday, September 21, regarding the Council actions of September 16. The reports requested in those actions have not yet been released. One of the items most closely tracked by community partners is the Mitigation Response Fund. The fund has not been established or funded. As proposed, it would provide up to $10 million to assist those impacted by the Boyle Heights incident. On September 16, the City Council asked City departments to evaluate and report back on establishing the fund.

Infrastructure Systems Recovery Support Function (RSF #2)

Waste Management

The remaining on-site debris removal equipment and machinery have been removed. The facility is now secured, with the Indiana gate only open for equipment related to solar panel removal entering or exiting the location.

Odor Mitigation/Air Quality

Perimeter and community air monitoring continues and will remain in place until SCAQMD determines a demobilization plan. SCAQMD continues monitoring compliance with its Order of Abatement requiring Lineage to reduce odors. SCAQMD has not issued any new Notices of Violation to Lineage since Friday, August 28. See *Attachment C: Enforcement Actions* for a list of total notices issued.

Vector Mitigation

The Los Angeles Bureau of Sanitation (LASAN) continues to employ vector control measures along public rights-of-way in the surrounding community. LACDPH reports that the fly-related violations noted on its Official Inspection Report appear to have been abated as of September 25. Starting this week, LACDPH reduced inspections to twice a week to assess the adjacent community and ensure conditions remain improved.

Storm Preparedness

LASAN reviewed Lineage's Wet Weather Plan and will continue to monitor the effectiveness of Lineage's measures to prevent site water runoff from entering the storm drain system during any potential significant rains. Lineage's plugs remain in the underground Low Impact Development (LID) system, while vactor trucks and berms are positioned to capture runoff.

Hazardous Waste Monitoring

LAFD CUPA conducts site visits to review and monitor hazardous materials and hazardous waste removal activities as needed. LAFD CUPA was on-site this week to observe the removal of 400 solar panels from the roof and requested ongoing updates from Lineage to ensure the solar panels and any associated lithium-ion batteries are disposed of properly. Removal is expected to continue to the end of the year.

On September 30th, the United States Environmental Protection Agency (USEPA) will conduct a Risk Management Plan (RMP) inspection regarding the refrigeration system.

Economic Recovery Support Function (RSF #3)

Local Economic Resources

The Community Investment Department (CID) continues to provide services for the impacted local businesses and workers via **BusinessSource** and **WorkSource Centers** at the following locations:

Boyle Heights WorkSource Center

- Location: 1505 East 1st Street, Los Angeles CA 90033
- Hours of Operation: Monday-Friday, 9:00 AM - 5:00 PM

East LA BusinessSource Center (in Boyle Heights)

- Location: 1780 East 1st Street, Los Angeles 90033
- Hours of Operation:
  - Monday-Friday: 8:00 AM - 5:00 PM,
  - Saturday: 9:00 AM - 2:00 PM

SBA Disaster Loans

To support impacted businesses in the Boyle Heights community, the U.S. Small Business Administration (SBA) activated its Economic Injury Disaster Loan (EIDL) program* and remains deployed at the East LA BusinessSource Center (in Boyle Heights), which serves as the SBA's Business Recovery Center. The SBA representatives are available to meet individually with business owners and nonprofits to answer questions and assist with the disaster loan application process.

Location: East LA BusinessSource Center (in Boyle Heights)
Hours: Mondays - Fridays, 8 AM – 5 PM
Appointments are not necessary, but can be made at appointment.sba.gov

As of September 25, the SBA had received 45 EIDL applications and offered loans totaling $156,700. Since September 15, the SBA reports a 25% increase in applications received and 45% increase in offered loans.

**The EIDL program provides low-interest, long-term working capital of up to $2 million for small businesses, agricultural cooperatives, and most private nonprofits impacted by declared disasters. Loans feature low-interest rates capped at 4%, terms of up to 30 years, and a 12-month payment deferment period with no interest accrual. EIDL funds are restricted to essential operational costs the business would have otherwise covered, including payroll, rent, utilities, healthcare benefits, and fixed debt payments*

Small Business Recovery Grants

The Small Business Recovery Grant is a financial relief program provided by the Los Angeles County Department of Economic Opportunity (DEO) to assist small businesses affected by the May 22nd East Los Angeles Oil Spill and the June 17th Lineage Fire.

Grant Amounts:

- $3,000 for commercial brick-and-mortar small businesses.
- $1,000 for home-based businesses (with customer presence), sidewalk vendors, or mobile businesses.

Key Eligibility Requirements:

- Located within designated County impact areas for the oil spill or fire.
- Physically operational in an eligible area at least 30 days prior to the incident date.
- 100 or fewer employees and annual gross receipts of $6 million or less.
- Must demonstrate or attest to qualifying economic loss or business disruption.

Application Window: Opened September 17, 2026 and closes on October 1, 2026. The application can be found at https://opportunity.lacounty.gov/sbrgeastla/

Selection: Grants are awarded based on priority scoring for impact, with a weighted lottery used if eligible applications exceed available funding.

Joint Information Center/Information Management

Joint Information Center

A Joint Information Center (JIC) staffed by cross-jurisdictional public information representatives has met virtually each week to discuss messaging needs and assignments. The JIC has provided timely and accurate information to assist residents and workers in accessing available recovery resources since early July 2026.

Effective October 1, the primary focus of the JIC will shift to messaging aimed at preparing the City and its residents for a potentially very strong El Niño climate event, with some staffing changes based on this new assignment. JIC support for the Boyle Heights recovery will remain available as needed for ongoing RSF operations.

Centralized Website/Social Media

The City of Los Angeles **Boyle Heights Recovery** website has been updated daily as new information was made available through the RSFs or City agencies coordinating events. It provides links to forms of assistance available through private entities and governmental agencies. The availability of low-interest SBA loans for small businesses and non-profits is also promoted there and through social media posts.

This website and available social media profiles from departments also publicize the Community Resource Center, area mobile health clinics, and webinars and town halls.

Non-Digital Communications

The MyLA311 platform provides multilingual information regarding assistance programs.
