CITY OF LOS ANGELES
EMERGENCY MANAGEMENT DEPARTMENT

Boyle Heights Unified Recovery Command Weekly Report #14

September 18, 2026

Reporting Period: September 12, 2026 - September 18, 2026

Incident Overview

On June 17, 2026, a fire ignited at a Boyle Heights cold storage warehouse operated by Lineage Logistics, and continued to burn for eight days. The blaze consumed the solar-paneled roof, raising concerns regarding the off-gassing of hazardous materials. The State of California declared a State of Emergency on June 20, 2026; Los Angeles County and the City of Los Angeles subsequently proclaimed their own local emergencies. Although the fire was officially knocked down on June 24, ongoing collaborative actions continue to facilitate a safe recovery for the local community. In response, Mayor Karen Bass issued three Executive Orders to undertake measures to ensure public safety and expedite the recovery process.

In accordance with Mayor's Emergency Executive Order No.2, the City of Los Angeles Boyle Heights Unified Recovery Command (BHURC) is operating to coordinate the recovery process. The BHURC continues to execute recovery operations under a Recovery Support Function (RSF) framework in accordance with the National Disaster Recovery Framework (NDRF), and has three active RSFs:

- RSF 1: Community Assistance Recovery
- RSF 2: Infrastructure Systems Recovery
- RSF 3: Economic Recovery

This Weekly Report provides BHURC updates from Saturday, September 12, 2026 through Friday, September 18, 2026.

Disclaimer: This report reflects information available as of the reporting period stated above and is subject to change as recovery efforts continue. Nothing in this report constitutes an admission or final determination regarding the cause of the incident, liability, or the identity of Responsible Parties. The City reserves all rights regarding cost recovery, abatement, and enforcement.

Community Assistance Recovery Support Function (RSF #1)

Community Resource Center Status

The **Community Resource Center** (CRC) remains open at Boyle Heights City Hall (2130 1st St. Los Angeles, CA 90033). Current and anticipated hours of operation are:

- Wednesday, September 16: 4:00 PM - 7:00 PM
- Saturday, September 26: 1:00 PM - 5:00 PM
- Wednesday, September 30: 10:00 AM - 2:00 PM

Community Resource Center Intake		
Date	**# of Households Served**	**Cumulative # of Households Served to Date**
9/16/2026	18	5462
9/12/2026	49	5444

Mobile Health Clinic Resources and Public Health Information

Mobile Health Clinics are accessible to residents living in the area or otherwise impacted by the fire at the following locations and times for the upcoming week:

Date	Time	Provider	Location
Monday, September 21	10:00 AM - 5:30 PM	St. John's Mobile Clinic	Weingart East LA YMCA | 2900 Whittier Blvd, Los Angeles, CA 90023
Friday, September 25	10:00 AM - 5:00 PM	Los Angeles Christian Health Center	Proyecto Pastoral- Impacto | 370 S. Clarence St. Los Angeles, CA 90033
Monday, September 28	10:00 AM - 5:30 PM	St. John's Mobile Clinic	Weingart East LA YMCA | 2900 Whittier Blvd, Los Angeles, CA 90023
Total # of Mobile Clinics Deployed to Date:			**79**

The LA County Department of Public Health (LACDPH) continues to track environmental health concerns and operates a Community Health Complaint Line at 626-430-9821, staffed by Public Health nurses who can assess symptoms and connect residents with medical providers as needed. Door-knocking efforts were conducted at 150 homes on Thursday, September 17, from 4:00 PM to 7:00 PM along Los Palos, Prado, La Puerta, and Indiana streets and 10 contacts were made. LACDPH also assessed odors and flies on the streets east of Indiana to Herbert.

Community Outreach

The recovery community webinar hosted by Mayor Karen Bass' Office on Tuesday, September 8 reached 107 live online attendees and one in-person viewer at the viewing

party hosted by Inner City Struggle to ensure accessibility for residents without virtual access. The webinar featured remarks from Mayor Bass with updates regarding warehouse cleanup and legislative efforts including Assembly Bill 817 (AB 817) and Senate Bill 716 (SB 716). The next webinar is scheduled for Thursday, September 24th at 6:00 PM.

Council District 14 (CD14) also hosted the Community Partners Meeting on Monday, September 14th, at 4:00 PM, in collaboration with local community-based organizations (CBOs), which also included updates from Mayor Karen Bass' Office, CD 14, and the Emergency Management Department. Community members highlighted critical local needs such as LADWP bill assistance and hands-on filter replacement support for air purifiers. Key legislative and community updates included four City Council items regarding the Boyle Heights Fire and an upcoming meeting of the City Council's Ad Hoc Committee on Boyle Heights Fire Recovery on Friday, September 18th. The next in-person meeting is scheduled for Monday, September 28th at 4:00 PM.

Infrastructure Systems Recovery Support Function (RSF #2)

Waste Management

Lineage reports the remaining on-site debris removal equipment and machinery is scheduled for demobilization on Saturday, September 19. A minimal number of third-party vendors are currently present at the facility.

Odor Mitigation/Air Quality

Regulatory agencies met on Thursday (9/17) to review and approve the revised Community Air Monitoring Plan (CAMP).

Perimeter and community air monitoring continues and will remain in place until AQMD determines a demobilization plan. SCAQMD continues to monitor daily for compliance with their Order of Abatement for Lineage to reduce odors. Six complaints were received by SCAQMD this week, however it is unclear if they are all related to the incident. No new Notices of Violations have been issued to Lineage since Friday, August 28th. See *Attachment C: Enforcement Actions* for a list of total notices issued.

Vector Mitigation

The Los Angeles Bureau of Sanitation (LASAN) continues to employ vector control measures, such as rat and fly traps, along public rights-of-way and in the surrounding community. LACDPH continues to conduct inspections at the facility 3 days a week and assess the adjacent community to evaluate fly conditions. Future inspections will transition to 2 days a week on Tuesdays and Thursdays. While fly activity continues to decrease, flies are still present within Freezer 1, resulting in LACDPH's continued issuance of Administrative Citations.

Storm Preparedness

Lineage submitted a Wet Weather Plan, outlining measures intended to prevent water runoff from the site from entering the storm drain system during any significant rain incidents that may occur during the potential El Niño rain season from October - April. Plugs remain in place in the underground Low Impact Development (LID) system and vactor trucks and berms will be positioned to ensure that any rainwater that falls on the site does not go into the public storm drains. Storm drains in nearby streets were cleaned in early August, and have now been opened to ensure that rain in the public-right-of-way will not flood local streets.

Hazardous Waste Monitoring

LAFD CUPA conducts site visits to review and monitor hazardous materials and hazardous waste removal activities as needed. LAFD CUPA will be on-site next week to observe the removal of 400 solar panels from the roof and requested ongoing updates from Lineage to ensure the solar panels and any associated lithium ion batteries are disposed of properly.

In late September, the United States Environmental Protection Agency (USEPA) will conduct a Risk Management Plan (RMP) inspection regarding the facility's refrigeration system.

Economic Recovery Support Function (RSF #3)

Local Economic Resources

The Community Investment Department (CID) continues to provide services for the impacted local businesses and workers via **BusinessSource** and **WorkSource Centers** at the following locations:

Boyle Heights WorkSource Center

- Location: 1505 East 1st Street, Los Angeles CA 90033
- Hours of Operation: Monday-Friday, 9:00 AM - 5:00 PM

East LA BusinessSource Center (in Boyle Heights)

- Location: 1780 East 1st Street, Los Angeles 90033
- Hours of Operation:
  - Monday-Friday: 8:00 AM - 5:00 PM,
  - Saturday: 9:00 AM - 2:00 PM

Small Business Roundtable Meeting- Sept. 21, 2026

The hybrid (in-person and virtual) small business roundtable meeting originally planned for September 8, has been rescheduled and will now take place on September 21st from 3:30 to 4:30 PM. Designed specifically for business owners affected by the Boyle Heights warehouse fire, the session will offer key updates following up on the prior meeting and will detail local resources available to support impacted businesses. The meeting will take place at the East LA BusinessSource Center (in Boyle Heights).

SBA Disaster Loans

To support impacted businesses in the Boyle Heights community, the Small Business Administration (SBA) activated its Economic Injury Disaster Loan (EIDL) program* and remains deployed at the East LA BusinessSource Center (in Boyle Heights), which serves as the SBA's Business Recovery Center. The SBA representatives are available to meet individually with business owners and nonprofits to answer questions and assist with the disaster loan application process.

Location: East LA Business Source Center (in Boyle Heights)
Hours: Mondays - Fridays, 8 AM – 5 PM
Appointments are not necessary, but can be made at appointment.sba.gov

**The EIDL program provides low-interest, long-term working capital of up to $2 million for small businesses, agricultural cooperatives, and most private nonprofits impacted by declared disasters. Loans feature interest rates capped at 4%, terms of up to 30 years, and a 12-month payment deferment period with no interest accrual. Regulated EIDL funds are restricted to essential operational costs the business would have otherwise covered, including payroll, rent, utilities, healthcare benefits, and fixed debt payments*

As of September 15, the SBA Business Recovery Centers have helped 44 individuals; this has resulted in 36 applications.

Small Business Recovery Grant

The Small Business Recovery Grants program is a financial relief program provided by the Los Angeles County Department of Economic Opportunity (DEO) to assist small businesses affected by the May 22, 2026 East Los Angeles Oil Spill and the June 17, 2026 Lineage Fire.

Grant Amounts:
$3,000 for commercial brick-and-mortar small businesses.
$1,000 for home-based businesses (with customer presence), sidewalk vendors, or mobile businesses.

Key Eligibility Requirements:

- Located within designated County impact areas for the oil spill or fire.
- Physically operational in an eligible area at least 30 days prior to the incident date.
- 100 or fewer employees and annual gross receipts of $6 million or less.
- Must demonstrate or attest to qualifying economic loss or business disruption.

Application Window: Opened September 17, 2026 and closes on October 1, 2026. The application can be found at https://opportunity.lacounty.gov/sbrgeastla/

Selection: Grants are awarded based on priority scoring for impact, with a weighted lottery used if eligible applications exceed available funding.

Joint Information Center/Information Management

Joint Information Center

A Joint Information Center (JIC) staffed by cross-jurisdictional public information representatives meets virtually each Thursday to discuss messaging needs and assignments. The JIC's purpose is to continue providing timely and accurate information to assist residents and workers in accessing available recovery resources.

Centralized Website/Social Media

The City of Los Angeles **Boyle Heights Recovery** website is updated as new information is made available through the RSFs or City agencies coordinating events. It provides links to forms of assistance available through private entities and governmental agencies including downloadable flyers for sharing.

Likewise, the availability of low-interest SBA loans for small businesses and non-profits continues to be promoted there and through social media posts.

This website and available social media profiles from several departments also publicize the Community Resource Center, area mobile health clinics, periodic webinars and town halls, and the rescheduled September 21 Small Business Roundtable.

Non-Digital Communications

The MyLA311 platform provides multilingual information regarding assistance programs.
