CITY OF LOS ANGELES
EMERGENCY MANAGEMENT DEPARTMENT

Boyle Heights Unified Recovery Command Weekly Report #12

September 4, 2026

Reporting Period: August 29, 2026 - September 4, 2026

Incident Overview

On June 17, 2026, a fire ignited at a Boyle Heights cold storage warehouse operated by Lineage Logistics, and continued to burn for eight days. The blaze consumed the solar-paneled roof, raising concerns regarding the off-gassing of hazardous materials. The State of California declared a State of Emergency on June 20, 2026; Los Angeles County and the City of Los Angeles subsequently proclaimed their own local emergencies. Although the fire was officially knocked down on June 24, ongoing collaborative actions continue to facilitate a safe recovery for the local community. In response, Mayor Karen Bass issued three Executive Orders to undertake measures to ensure public safety and expedite the recovery process.

In accordance with Mayor's Emergency Executive Order No.2, the City of Los Angeles Boyle Heights Unified Recovery Command (BHURC) is operating to coordinate the recovery process. The BHURC continues to execute recovery operations under a Recovery Support Function (RSF) framework in accordance with the National Disaster Recovery Framework (NDRF), and has three active RSFs:

- RSF 1: Community Assistance Recovery
- RSF 2: Infrastructure Systems Recovery
- RSF 3: Economic Recovery

This Weekly Report provides BHURC updates from Saturday, August 29, 2026 through Friday, September 4, 2026.

Disclaimer: This report reflects information available as of the reporting period stated above and is subject to change as recovery efforts continue. Nothing in this report constitutes an admission or final determination regarding the cause of the incident, liability, or the identity of Responsible Parties. The City reserves all rights regarding cost recovery, abatement, and enforcement.

Community Assistance Recovery Support Function (RSF #1)

Community Resource Center Status

The **Community Resource Center** (CRC) remains open at Boyle Heights City Hall (2130 1st St. Los Angeles, CA 90033). Current and anticipated hours of operations are:

- Friday, September 4th: 2:00 PM - 7:00 PM
- Thursday, September 10th: 12:00 PM - 5:00 PM
- Saturday, September 12th: 9:00 AM - 2:00 PM
- Monday, Tuesday, Wednesday, & Sunday: CLOSED

Community Resource Center Intake		
Date	**# of Households Served**	**Cumulative # of Households Served to Date**
9/4/2026	27	5385
9/2/2026	13	5358
8/31/2026	8	5345
8/28/2026	22	5337

Relief Center Status

The Pecan Recreation Center (145 S. Pecan St., Los Angeles, CA 90023) continues to remain open to the community as a Relief Center from 10:00 AM - 5:00 PM daily. Preparations are being made to demobilize the site as the completion of Lineage's decontamination operations approaches.

Mobile Health Clinic Resources and Public Health Information

Mobile Health Clinics are accessible to residents living in the area or otherwise impacted by the fire at the following locations and times for the upcoming week:

Date	Time	Provider	Location
Tuesday, September 8	10:00 AM - 5:30 PM	St. John's Mobile Clinic	Proyecto Pastoral-Impacto | 370 S. Clarence St. Los Angeles, CA 90033
Thursday, September 10	8:00 AM - 3:30 PM	St. John's Mobile Clinic	Stevenson Middle School | 725 S Indiana St, Los Angeles, CA 90023
Total # of Mobile Clinics Deployed to Date:			**75**

The LA County Department of Public Health (LACDPH) continues to track environmental health concerns and operates a Community Health Complaint Line at 626-430-9821, staffed by Public Health nurses who can assess symptoms and connect

residents with medical providers as needed. Door-knocking efforts were conducted to 100 homes on Thursday, September, 3rd from 4:00 PM to 7:00 PM along Rowan, Eastman, Gage, and Herbert (between Olympic and Union Pacific) streets and 28 contacts were made.

Community Outreach

Last week's recovery community webinar hosted by Mayor Karen Bass' Office on Thursday, August 27th reached 150 live online attendees and approximately 40 in-person viewers at the viewing parties hosted by Proyecto Pastoral and Weingart East Los Angeles YMCA, which ensured accessibility for residents without Zoom access. The next webinar is scheduled for Tuesday, September 8th, at 6:00 PM. Community members expressed concern for residents currently in Airbnb/temporary housing scheduled to expire today, September 4th.

Council District 14 (CD14) also hosted the Community Partners Meeting on Monday, August 31st, at 4:15 PM, in collaboration with local community based organizations (CBOs), which provided updates from Mayor Karen Bass's Office, CD 14, and the Emergency Management Department. Community members urged officials to align utility relief efforts with air purifier and air conditioning distribution boundaries, emphasizing financial assistance is an essential post-disaster need due to high electricity costs of running these devices to manage odor impacts. Public comment was encouraged at the Budget and Finance Committee Meeting scheduled on Wednesday, September 2nd, at 2:00 PM, which discussed city response funds, case managers, and utility assistance.

Infrastructure Systems Recovery Support Function (RSF #2)

Waste Management

Lineage reports that all food waste has been removed from Freezer 1 as of Saturday, August 29th. AQMD's inspectors have validated that bulk food waste removal is complete. The final phase of gross decontamination has started, with a deadline for completion of Saturday, September 5th.

Odor Mitigation/Air Quality

The revised Community Air Monitoring Plan (CAMP) has been forwarded to all appropriate regulatory agencies, who will have a meeting in the next week to discuss if any final edits are needed.

SCAQMD continues to monitor daily for compliance with their Order of Abatement for Lineage to reduce odors and continues to support mitigation measures in the impacted area. No new Notices of Violations have been issued to Lineage since last Friday, August 28th. See *Attachment C: Enforcement Actions* for a list of total notices issued.

Vector Mitigation

The Los Angeles Bureau of Sanitation (LASAN) maintains an active presence in the surrounding area to perform essential community services, including vector control (such as rat and fly traps), bulky item removal, bin replacement and repair, and pressure washing on an as-needed basis.

LACDPH continues to issue citations to Lineage for fly breeding conditions and continues to monitor the impacted areas. Community fly treatments provided by Lineage are required to continue through September 13th, per LACDPH.

Water & Wastewater Containment

LASAN continues to treat water from the storage tank on an as-needed basis. To ensure compliance, LASAN maintains a daily presence on the perimeter to monitor Municipal Separate Storm Sewer System (MS4) water runoff.

The current water level in the tank is at 388,200 gallons. To date, the total cumulative volume discharged remains slightly below 1 million gallons. An additional discharge is planned for Friday, September 4th before potential rain over the weekend. No discharge activities are permitted during rain. Greater Los Angeles Vector Control continues to monitor the tank for mosquito mitigation and AQMD continues to monitor the water tank for odors.

Storm Preparedness

Lineage shared plans to ensure no water runoff from the site goes into the storm drain system during any rain incidents. Plugs remain in place in the underground LID system and vactor trucks and berms will be positioned to ensure that any rainwater that falls on the site does not go into the public storm drains. Storm drains in nearby streets were cleaned in early August, and have now been opened to ensure that rain in the public right of way will not flood local streets.

Hazardous Waste Monitoring

LAFD CUPA conducts site visits to review and monitor hazardous materials and hazardous waste removal activities as needed.

Economic Recovery Support Function (RSF #3)

Local Economic Resources

The Community Investment Department (CID) continues to provide services for the impacted local businesses and workers via **BusinessSource** and **WorkSource Centers** at the following locations:

Boyle Heights WorkSource Center

- Location: 1505 East 1st Street, Los Angeles CA 90033
- Hours of Operation: Monday-Friday, 9:00 AM - 5:00 PM

East LA BusinessSource Center (in Boyle Heights)

- Location: 1780 East 1st Street, Los Angeles 90033
- Hours of Operation:
    - Monday-Friday: 8:00 AM - 5:00 PM,
    - Saturday: 9:00 AM - 2:00 PM

Small Business Roundtable Meeting- Sept. 8, 2026

The Mayor's Office is organizing a hybrid (in-person and virtual) small business roundtable to take place on Tuesday, September 8th, from 3:30 to 4:30 PM. Designed specifically for business owners affected by the Boyle Heights warehouse fire, the session will offer key updates following up on the prior meeting and will detail local resources available to support impacted businesses. The meeting will take place at the East LA BusinessSource Center (in Boyle Heights).

SBA Disaster Loans

To support impacted businesses in the Boyle Heights community, the Small Business Administration (SBA) activated their Economic Injury Disaster Loan (EIDL) program[†] and remains deployed at the East LA BusinessSource Center (in Boyle Heights), which serves as the SBA's Business Resource Center. The SBA representatives are available to meet individually with business owners and nonprofits to answer questions and assist with the disaster loan application process.

Location: East LA Business Source Center (in Boyle Heights)
Hours: Mondays - Fridays, 8 AM – 5 PM
Appointments are not necessary, but can be made at appointment.sba.gov

[†]The EIDL program provides low-interest, long-term working capital of up to $2 million for small businesses, agricultural cooperatives, and most private nonprofits impacted by declared disasters. Loans feature interest rates capped at 4%, terms of up to 30 years, and a 12-month payment deferment period with no interest accrual. Regulated EIDL funds are restricted to essential operational costs the business would have otherwise covered, including payroll, rent, utilities, healthcare benefits, and fixed debt payments

Joint Information Center/Information Management

Joint Information Center

A Joint Information Center (JIC) staffed by cross-jurisdictional public information professionals transitioned to meeting only once each week during this reporting period, as previously noted. The JIC's purpose is to provide timely and accurate information on ways to access remaining recovery resources.

Centralized Website

The City of Los Angeles **Boyle Heights Recovery** website is updated as often as information about new and continuing resources, or scheduled events, is made available through the RSFs. It continues to provide links to forms of assistance available to residents and workers by private entities and governmental agencies.

This website and available social media profiles from several departments continue to promote the Community Resource Center at its current location, along with mobile health clinics provided by private health organizations in the area.

Non-Digital Communications

The MyLA311 platform provides multilingual information regarding assistance programs.
