CITY OF LOS ANGELES

EMERGENCY MANAGEMENT DEPARTMENT

Boyle Heights Unified Recovery Command Weekly Report #16

October 2, 2026

Reporting Period: September 26, 2026 - October 2, 2026

Incident Overview

On June 17, 2026, a fire ignited at a Boyle Heights cold storage warehouse operated by Lineage Logistics, and continued to burn for eight days. The blaze consumed the solar-paneled roof, raising concerns regarding the off-gassing of hazardous materials. The State of California declared a State of Emergency on June 20, 2026; Los Angeles County and the City of Los Angeles subsequently proclaimed their own local emergencies. Although the fire was officially knocked down on June 24, ongoing collaborative actions continue to facilitate a safe recovery for the local community. In response, Mayor Karen Bass issued three Executive Orders to undertake measures to ensure public safety and expedite the recovery process.

In accordance with Mayor's Emergency Executive Order No.2, the City of Los Angeles Boyle Heights Unified Recovery Command (BHURC) is operating to coordinate the recovery process. The BHURC continues to execute recovery operations under a Recovery Support Function (RSF) framework in accordance with the National Disaster Recovery Framework (NDRF), and has three active RSFs:

- RSF 1: Community Assistance Recovery
- RSF 2: Infrastructure Systems Recovery
- RSF 3: Economic Recovery

This Weekly Report provides BHURC updates from Saturday, September 26, 2026 through Friday, October 2, 2026.

Disclaimer: This report reflects information available as of the reporting period stated above and is subject to change as recovery efforts continue. Nothing in this report constitutes an admission or final determination regarding the cause of the incident, liability, or the identity of Responsible Parties. The City reserves all rights regarding cost recovery, abatement, and enforcement.

Community Assistance Recovery Support Function (RSF #1)

Community Resource Center Status

The **Community Resource Center** (CRC) remains open at Boyle Heights City Hall (2130 1st St. Los Angeles, CA 90033). Current and anticipated hours of operation are:

- Monday, October 5: 4:30 PM - 7:30 PM

Community Resource Center Intake		
Date	**# of Households Served**	**Cumulative # of Households Served to Date**
9/26/2026	4	5466

Community Resource Fair

On Saturday, October 3, the City of Los Angeles will host a community resource fair at Malabar Elementary Community Park, (3200 Malabar St.) for residents from 11:00 AM - 2:00 PM. The fair will feature free resources and raffle prizes. Local community service organizations will also be present to provide additional resources and information.

Mobile Health Clinic Resources and Public Health Information

Mobile Health Clinics are accessible to residents living in the area or otherwise impacted by the fire at the following locations and times for the upcoming week:

Date	**Time**	**Provider**	**Location**
Wednesday, October 7	9:00 AM - 4:30 PM	St. John's Mobile Clinic	Weingart East LA YMCA | 2900 Whittier Blvd, Los Angeles, CA 90023
Thursday, October 8	9:00 AM - 4:30 PM	St. John's Mobile Clinic	Proyecto Pastoral- Impacto | 370 S. Clarence St. Los Angeles, CA 90033
Total # of Mobile Clinics Deployed to Date:			**83**

The LA County Department of Public Health (LACDPH) continues to track environmental health concerns and operates a Community Health Complaint Line at 626-430-9821, staffed by Public Health nurses who can assess symptoms and connect residents with medical providers as needed. LACDPH has concluded canvassing efforts but continues to maintain on-site staff during Community Resource Center hours.

In addition, a Boyle Heights/East LA Recovery Health Fair has been scheduled for Friday, October 16, from 3:30 PM - 7:30 PM (family activities from 5:30 PM to 7:30 PM) at the Weingart East LA YMCA (2900 Whittier Blvd, Los Angeles, CA 90023).

Designed to support community recovery following the Boyle Heights warehouse fire, the event connects community members with service providers who offer immediate care gaps and promotes long-term household stability. It removes barriers to essential care by providing free mobile health clinics, children's vaccines, health and lung screenings, vision care, mental/behavioral health support, and local wraparound services—including healthcare navigation and CalFresh enrollment—with no insurance required.

Community Outreach

The recovery community webinar hosted by Mayor Karen Bass' Office on Thursday, September 24 reached 66 live online attendees and 10 in-person viewers at the viewing party hosted by Proyecto Pastoral to ensure accessibility for residents without virtual access. The webinar featured remarks from a Deputy Chief of Staff for the Mayor's Office, South Coast Air Quality Management District (SCAQMD), Los Angeles County Department of Economic Opportunity (DEO), and the City's Community Investment Department (CID). The next webinar has not yet been scheduled.

Council District 14 hosted the Community Partners Meeting on Monday, September 28 at 4:00 PM, in collaboration with local community-based organizations (CBOs). The meeting included updates from Mayor Karen Bass' Office, CD14, and the Emergency Management Department. A representative from Assemblymember Mark Gonzalez's office attended and provided updates on AB 817 and SB 716, which the Governor signed on September 27. Going forward, these meetings will transition from biweekly to monthly in-person meetings, held on the second Monday of each month. Because the second Monday of October is a holiday, the next meeting will be held on the third Monday, October 19, at 4:00 PM.

Infrastructure Systems Recovery Support Function (RSF #2)

Odor Mitigation/Air Quality

Perimeter and community air monitoring continues and will remain in place until SCAQMD determines a demobilization plan. SCAQMD continues monitoring compliance with its Hearing Board's Order for Abatement requiring Lineage to reduce odors. SCAQMD has not issued any new Notices of Violation to Lineage since Friday, August 28. See *Attachment C: Enforcement Actions* for a list of total notices issued.

Vector Mitigation

The Los Angeles Bureau of Sanitation (LASAN) continues to employ vector control measures along public rights-of-way in the surrounding community. LACDPH reports that the fly-related violations noted on its Official Inspection Report appear to have been abated as of September 25 and has not issued any new citations since September 16. Starting this week, LACDPH will conduct inspections in response to complaints.

Storm Preparedness

LASAN will continue to monitor Lineage's implementation of its Wet Weather Plan and the effectiveness of Lineage's measures to prevent site water runoff from entering the storm drain system during any potential significant rains. Lineage's plugs remain in the underground Low Impact Development (LID) system, while vactor trucks and berms are positioned to capture runoff.

Hazardous Waste Monitoring

The facility is now secured. Only the Indiana gate remains open, for vehicles and equipment used in solar panel removal. One crane is also on site for that work. LAFD CUPA continues to conduct site visits to observe the ongoing removal of 400 solar panels from the roof and requested ongoing updates from Lineage to confirm that the solar panels and any associated lithium-ion batteries are disposed of properly. Removal is expected to continue to the end of the year.

On September 30, the United States Environmental Protection Agency (USEPA) conducted a Risk Management Program(RMP) inspection regarding the refrigeration system. A report is expected approximately 70 days after the inspection date.

Economic Recovery Support Function (RSF #3)

Local Economic Resources

The Community Investment Department (CID) continues to provide services for the impacted local businesses and workers via **BusinessSource** and **WorkSource Centers** at the following locations:

Boyle Heights WorkSource Center

- Location: 1505 East 1st Street, Los Angeles, CA 90033
- Hours of Operation: Monday-Friday, 9:00 AM - 5:00 PM

East LA BusinessSource Center (in Boyle Heights)

- Location: 1780 East 1st Street, Los Angeles, CA 90033
- Hours of Operation:
  - Monday-Friday: 8:00 AM - 5:00 PM,
  - Saturday: 9:00 AM - 2:00 PM

SBA Disaster Loans

To support impacted businesses in the Boyle Heights community, the U.S. Small Business Administration (SBA) activated its Economic Injury Disaster Loan (EIDL) program* and remains deployed at the East LA BusinessSource Center (in Boyle Heights), which serves as the SBA's Business Recovery Center. The SBA representatives are available to meet individually with business owners and nonprofits to answer questions and assist with the disaster loan application process.

Location: East LA BusinessSource Center (in Boyle Heights)
Hours: Mondays - Fridays, 8 AM – 5 PM
Appointments are not necessary, but can be made at appointment.sba.gov

As of October 2, the SBA had received 47 EIDL applications and offered loans totaling $212,700.

**The EIDL program provides low-interest, long-term working capital of up to $2 million for small businesses, agricultural cooperatives, and most private nonprofits impacted by declared disasters. Loans feature interest rates capped at 4%, terms of up to 30 years, and a 12-month payment deferment period with no interest accrual. EIDL funds are restricted to essential operational costs the business would have otherwise covered, including payroll, rent, utilities, healthcare benefits, and fixed debt payments*

Small Business Recovery Grants

As of October 1st, the application period is closed for the Small Business Recovery Grant, which is a financial relief program provided by the Los Angeles County Department of Economic Opportunity (DEO) to assist small businesses affected by the May 22 East Los Angeles Oil Spill and the June 17 Lineage Fire.

Information Management

On October 1, the Joint Information Center (JIC), which had operated virtually since early July 2026, transitioned to its new role of communicating the need for the City and its residents to prepare for a potentially very strong El Niño climate event.

Support for transitioning Boyle Heights recovery will still be available, as needed, through the Emergency Management Department's Public Information Officer.

Centralized Website/Social Media

The City of Los Angeles **Boyle Heights Recovery** website is updated as new information becomes available through the RSFs or City agencies coordinating events. It provides links to forms of assistance available through private entities and governmental agencies and announces public events. The availability of low-interest SBA loans for small businesses and nonprofits is also promoted there and through social media posts.

Non-Digital Communications

The MyLA311 platform provides multilingual information regarding assistance programs.
